

# Ralph A. Crawford, 55

Former Bonners Ferry resident Ralph A. Crawford, with his easy smile and soft eyes, left us on Sunday, Oct. 19, 2008, in Granby, Colo. He was 55.

Born in Kalispell, Mont., on April 15, 1953, to Stuart and Colleen Crawford, Ralph grew up in Bonners Ferry and attended Boundary County schools.

He was a master carpenter with Layton Construction

in Salt Lake City for many years. Following a stroke earlier this year, Ralph spent his final months with his sister, JoAnne Miller, and brother-in-law, Ray, who introduced Ralph to the Broncos.

Many canasta games were played and walks taken. They enjoyed a very easy if spirited camaraderie. Claudia, Nancy and Trish provided their uncle with laughter, lunches and love.

Ralph recently began vol-

unteering to deliver bakery items to local agencies, something he especially enjoyed and looked forward to doing each Wednesday.

You will be missed. Your smile a pleasant comforting memory until we meet again.

Ralph was preceded in death by his parents.

Survivors include sisters JoAnne Miller and her husband, Ray, of Granby, Nancy Rosco and her husband, Vern, of Omak, Wash., and Pat

Hubof of Las Vegas; brothers Mike of Spokane, Wash., Jack of Puyallup, Wash., and Richard of Las Vegas; an aunt, Shirley Crawford of Coeur d'Alene; and many nieces and nephews.

Much appreciation for Claudia and Ron Saterfiel, Trisha Grove, and Nancy and Tim Zamora, all of Granby, and Danny Grove of Priest River.

Private services will be held.
