

# Memorial service Sunday, Nov. 16, for local couple killed in car accident

A memorial service will be held for Karl Heiss and Marisa Bauducco-Heiss at 1 p.m. Sunday, Nov. 16, in Memorial Hall at Boundary County Fairgrounds.

The Moyie Springs couple was killed Oct. 3 in a car accident on Interstate 5 in Chehalis, Wash. Their children, Aliana, 10, and Alden, 6 survived.

Aliana remains in Children's Hospital in Seattle. She is in stable condition but her improvement has slowed due to the move from Harborview Medical Center in Seattle.

Alden is adjusting well to all the changes in his life. He has been spending his days getting to know the Bauducco relatives. Alden is slowly accepting the loss of his parents and the addition of the new relatives in his life. The language barrier has been difficult to work around. Alden will continue to wear his neck brace for a few more weeks. Physically he is recovering well.

Karl's parents, AnnaBelle and Fred Heiss, along with Karl's sister, Maia, are at the hospital with the children.

Marisa's father has returned to Argentina. Marisa's mother, Violetta, and her siblings, Alejandro and Corina, are still here. Marisa's family members

**A memorial service will be held Sunday for Karl Heiss and his wife, Marisa Bauducco-Heiss of Moyie Springs, who were killed in an Oct. 3 car accident.**

have traveled to Bonners Ferry recently to visit the house. They were only granted short-term visas and are spending their limited time getting to know Alden.

Both families are working together to decide what is best for Alden.

Bring a dish and memories to share. Yerba Mate tea will be provided. Bring a mate/bombilla or mug.

For anyone who wants to donate money to the family, send a check to Bauducco-Heiss Children Fund at Wells Fargo, 6720 Main St.,

Bonnors Ferry, ID, 83805. Paypal payments can be made at [www.karlandmarisa.com](http://www.karlandmarisa.com).

Updated information on the children will be posted at [www.codingcube.com/info/accident.html](http://www.codingcube.com/info/accident.html)
