Donald Loren Huggins

Donald Loren Huggins (Age 78) went to be with God on August 25, 2007.

He was born on January 1, 1929 to Andrew and Della Mae Huggins in Colorado Springs, Colorado. He met and married the Love of His Life Daisy Coster in 1951. They had two sons, LD (Margaret) and Terry (Sue) of Bonnors Ferry, Idaho.

He leaves behind 5 Grandchildren and 11 Great Grandchildren that he loved dearly. Also survived by brothers Lon, Harold and Wally and Sister Della Mercer all of Bonnors Ferry and nieces, nephews, and cousins. He is also going to be missed by many friends who called him Grandpa. He joins his parents, brother Wilber and all family and friends who preceded him in heaven.

No words can describe the void left in our hearts and the joy knowing he is with our Lord! As he requested, No service will be held.
